**Out in California, you  
oil your deck  
while wearing  
socks**

**I see the squirrels  
rob us blind  
a paradox  
divine**

**The boy's all verb  
and little connective  
very fond  
chingado**

**Screeno  
means "I  
project mixed pickles  
on your personal wall"**

**The next great menace  
—do you mean  
"exit platitudes"  
sweetie-poo?**

**Who among the sound  
people brought tuna  
on crackers,  
Polly?**

**Didja get squirrel traps?  
No, but I  
dismembered the  
fuckers.**

**Known less known unknown  
runs too fast  
to scout  
numbers**

**Start  
up luck  
by dropping a  
big fat French kiss**

**"Avoirdupois"  
is French  
theory that kick  
me in the butt**

**Let's go to Switzerland  
rent a vault  
turn into  
money**

**The wolverine's fur often  
fails to accompany  
his civilized  
smile**

**Careerology  
keeps people  
setting things straight  
up the fuckin' wall**

**Beijing  
prefers not  
to allow sunshine  
on schools and squares**

**However,  
when a  
planet turns the  
situation room heats up.**

**Wine  
dark sea  
Helen is asleep  
A bird goes by**

***s bright as your dreams...***
